

DOHA BRITISH SCHOOL

WAKRA PRIMARY SCHOOL

### Trips and Visits

There will be no trips and visits in this term as we will be focusing on our Key Stage 2 production.

### Qatari History

We will be looking at the important role Qatar plays in the region along with the chronology of events in Qatar's history.

## Topic Web

### Year 4 Topic Web – Autumn 1

#### History

What better way to understand the extreme weather around the world by focusing our attention on major cases of extreme weather.

#### Geography

We will be looking at different aspects of physical geography on the Earth and the effect that extreme weather has on it.

#### Spanish

Class commands  
Numbers to 500  
Family  
Weather  
Time  
Daily routines.

#### Arabic

Asmaa bint abi bakr(Reading), Al-madi wa Al-modara' (Grammar), AL-Mafo'ol Beh (Grammar), Al-lam Ash-shamsia (Grammar), Khat Al-nasskh (Hand Writing), writing about Famous people(Writing), Al-farok Omar Bin Al-khattab (Listening), Muslim scholars (Speaking),the story of the treasure ( Reading)

#### Science

We will be looking at the classification of all living things and the environment in which they live in.

### Extreme Earth

Year four will be kicking off the year by learning about the extraordinary Earth! Volcanoes, earthquakes and extreme weather (not often seen in Doha) will be some of the many things the children will learn about this term.

#### P.E.

Children will become familiar with PE at DBS Wakra and the expectations required of them. Their sport focus will be indoor athletics in preparation for a tournament.

#### Literacy

We will be focusing on the features of a non-chronological report and learning to write our own report on planet Earth.

#### Maths

Recognise the importance of place value in a 4 digit number and using this to help us find 1000 more and less in any given number. We will use this to learn to add and subtract 4 digit numbers.

#### Music

Children will be introduced to the elements of music. They will learn about the musical stave, the correct terminology for dynamics and tempo, and explore rhythmic notation and solfa. Children will also prepare for the upcoming production.

#### ART and DT

We will be looking at the structure of the Earth and modelling this using paper mache, following on by making a model of a Tsunami.
