

# DOHA BRITISH SCHOOL

## AL WAKRA CAMPUS

---

*Our core purpose is that every young person should gain as much as possible from our school,  
based on our belief that all learners can, need and want to achieve.*

28<sup>th</sup> September 2017

Dear Parents,

Our first whole school event this term will be **International Day** on **Thursday 19<sup>th</sup> October**. We hold an International Day celebration in order to celebrate the diversity of our school and the different backgrounds and nationalities of our school community. It is also a celebration of our unity as residents of Qatar, and the commonality of being part of the DBS Wakra school community.

This year's International Day will be celebrated by holding a "Global Village" event in the school. We would like parents to get involved by helping to set up a table representing your home country or group of countries and we will also encourage each child to bring in an artefact, picture, item that represents their home country. The table can include a display of flags, pictures from your home country, models of iconic places, fact sheets and maps, music, costumes and also food.

On International Day, children will be invited to bring in samples of food from their home country which can also be placed on their country's stall/table.

During the day each class will have an opportunity to visit the 'Global Village', explore each country and sample some food.

We will have a table for every nationality in the school but will need your help to decorate and set up these tables ready for children to visit them. Please follow the attached link if you are able to help set up a table/stall at our 'Global Village' and also if you are able to spend some time hosting your country as children come to visit.

Please sign up [HERE](#) if you can help in any way.

Yours sincerely,

**Nazly Khan**  
*Head of Primary*
