

Learning Log

Year 4 / Summer 1 / Ancient Greece

DOHA BRITISH SCHOOL

WAKRA PRIMARY SCHOOL

Literacy Activities

- Learn the poem 'Gran can you rap?' in preparation for our English unit.
- Plan and design your own Greek ship. Label three parts and write a few sentences on how they would work.
- Choose a chapter of your favourite story and turn it into a play script.
- Think of at least 15 words that rhyme with each of the following: sky, greek and book.
- Make a spelling rule poster for adding prefixes and suffixes including their meanings and examples.
- Watch a news report and write a script for a part the news report.

Mathematics Activities

- Practise reading time to the nearest minute.
- Write the times of five events in your day and convert them into digital or analogue clocks.
- Write what time you leave for school and what time you arrive at school. Calculate how many minutes has passed in between these times.
- Using a co-ordinate grid, plot the co-ordinates of 3 different 2d shapes and write the co-ordinates of each corner (link to help <https://www.khanacademy.org/math/basic-geo/basic-geo-coord-plane/coordinate-plane-4-quad/v/the-coordinate-plane>)
- Write instructions for someone to follow to solve division using the compact method.
- Write 5 multiplication or division word stories for a partner to solve.

Creative Curriculum

- Draw a picture of a mouth and label the different types of tooth and their uses.
- Select a predator of your choice and draw a food chain.
- Design and partake in your own family Olympic games – bring in pictures or videos to share with your class.
- Make some food related to Greece and bring it in for the class to try.
- Calculate how many kilometres it takes to travel to Greece from Qatar and convert this into metres and centimetres.
- PE- To research rounders rules and regulations on a computer
