Literacy Activities

Write a shape poem about a piece of fruit.

(Intermediate) Use the internet to make a fact sheet of 10 facts about Hernan Cortes (sometimes called Hernando Cortez)

(Challenging) Find 10 facts about Hernan Cortes (sometimes called Hernando Cortez). Then use the internet to answer these questions about him; Why did he want to conquer the Aztec people? How was the Aztec empire different from the Spanish Empire at the time?

Research the meaning of these phrases and write a sentence in your own words explaining what they mean: Cacao, cocoa, cocoa importer and cocoa exporter.

What are the features of a persuasive letter? What does a good letter need?

Write a letter to Willy Wonka to persuade him that you deserve a 'Golden Ticket'

Create a poster advertising Willy Wonka's Chocolate Factory.

Mathematics Activities

Complete MyMaths activities every week.

Revise your times tables which you are on, including the related division facts. You should know these well and be able to recall the answers rapidly! There will be a table torture every Thursday!

Create 3 word problems that involve multiplication or division.

Challenge- Create 3 2-step word problems that involve multiplication or division.

Look at how many different notes we have, can you work out how many different ways you could make 100QR? What notes could we use to add up to 100QR? Is there more than one way of making 100QR?

What shapes do you see in your house? Are they 2D or 3D shapes?

Can you sort the shapes into 2D and 3D?

Music

Listen to a piece of music by Johann Sebastian Bach and draw a picture of what the music makes you think of.

Other:

- Go to a shop and research the different flavours of chocolate there are. Carry out some research with your family and friends. What is their favourite flavour and what is their least favourite?
- Create your own chocolate bar wrapper. Include the ingredients you would include.
- Find out what fair trade farming is and why it is important.
- Create a poster to encourage people to recycle. Think of 3 things we can do at school to recycle.
