

Learning Log

Year 1 / Term 1 / Earth and beyond

Activities chosen from the Learning Log should be recorded inside their Learning Log books. Choose one activity each week from any box. **Make sure** that at the end of the term you have chosen a English, Maths and Creative Curriculum activity. **This is in addition to reading and practicing spellings.**

DOHA BRITISH SCHOOL

WAKRA PRIMARY SCHOOL

English Activities

Make an acrostic poem for one of the planets

Draw/ design an alien and write different adjectives around it to describe it

Find a special way of remembering the planets order and write this into your book. Try to learn this to teach the class

Choose 1 planet to research. Write down 3 things you have found out about that planet.

Mathematics Activities

Draw a rocket blasting off and write your numbers counting back from 20 to the blast off.

Make a rocket from different 2D Shapes – label these in your book

Draw/ label and number the different planets in order – how many planets are there?

Complete different exercises in the space themed Maths activity book

Make Space Play Dough following the recipe sheet given – e.g. 2 cups/ 1 teaspoon – measuring correctly

Creative Curriculum

You are going on a spaceship and can take only 10 things with you. Draw/ write the things you will take

You are going to meet some aliens on another planet. What 10 things would you take for them as presents? Draw them in a gift box

Research and find out facts about Neil Armstrong and his space mission. Draw/ write about this in your book

Bake your own space themed cookies or biscuits following an instruction recipe, bring these into class to share with your friends
