### Literacy Activities

- Write a recount about something fun you did at the weekend or a trip/ holiday that you have been on. Include time words (first, next, after that, then, finally) and connectives (but, so, because, and)
- Make a fact book about your favourite 5 animals. Include a title, sub-headings (what they eat/ where they live (habitat)/ what they look like) for each. Share this with the class. Try to research some animals that people may not know about!!!
- Use the ‘creative writing’ sheet to design a NEW species of animal. Write a description of this animal and give it an interesting name!
- Imagine you are Florence Nightingale and you have just arrived at the hospital in Turkey. Write a letter home to your parents to tell them about how dirty the hospital is, what it looks like, what you are doing to clean the hospital and improve the conditions.

### Mathematics Activities

- Look around your home and count how many different 3D shapes you can find. List 10 different objects and their shape (eg, television – cuboid)
- Create a symmetrical picture or pattern. Challenge- You could look at animals/insects that might have symmetrical patterns
- Use 2D shapes to create different repeating patterns.
- Practise your number bonds to 10, 20, 50 and 100
- Imagine you’re in a shop. Write 3 words problems using pounds and pence
- Complete the weekly MyMath activity

### Creative Curriculum

- Write the names of the 7 continents and 5 oceans of the world. Locate these on a map.
- Sing the continents and oceans song. Learn this until you are confident and then sing it to your class:

<https://www.youtube.com/watch?v=KUS2Kjzzd9s>
- Find out about a place that Florence visited during her lifetime. Why was she there? What did she do there?
- Choose 5 different animals and write about their different ‘habitat’. Why do they live there? How is their body adapted to live there?  
E.g. Camel – desert
- Write a list of as many things you can think of that are living/ dead and things that have never been alive.
