

# Learning Log

## Year 5 / Spring 2/ Magnificent Mountains

Activities chosen from the Learning Log should be recorded inside their homework books. Choose two activities each week from any box. **Make sure** that at the end of the term you have chosen a Literacy/ Maths and an 'other' activity. **This is in addition to reading, comprehension, spelling and times tables practise.**

DOHA BRITISH SCHOOL

WAKRA PRIMARY SCHOOL

### Literacy Activities

- Write your own version of 'Little Red Riding Hood' and read it to the class with expression.
- Create a diary entry for an explorer who has just discovered a new mountain.
- Create an acrostic poem about a mountain
- Choose one of the following topics and write a short piece of discursive writing (reasons for and against)
  - Should we wear school uniform?
  - Books are more beneficial than the internet
  - Children should be able to leave school aged 12
- Write a cinquain poem about a topic of your choice.
- Create a bank of ambitious connectives that will help you when you are writing.

### Mathematics Activities

- Create a chart showing each of the roman numerals you would use when counting to 100.
- Research and find the difference in temperature between the hottest and coldest countries.
- Make a poster that would help people understand how to multiply and divide decimal numbers by 10, 100 and 1000
- Go to the following link and read the information, take part in the quiz and play the game.  
<http://www.bbc.co.uk/bitesize/quiz/q29941926>
- Complete the weekly MyMaths activities

### Creative Curriculum

#### Design and Technology:

- Make a survival guide for someone who is climbing Mount Everest.
- Design a tent that a mountaineer could easily use and carry while climbing. Remember to take into consideration the changes in weather!

#### Science:

- Draw a labelled diagram of a plant and its different parts.
- Make a table of different changes of state including reversible changes and irreversible changes.

#### Art:

- Create your own mountain landscape using as many different materials as possible.
- Research a famous architect and design your own building based on their work.

**PE:** Write a paragraph on what you enjoyed most about health and fitness week.

**Music:** Draw or paint a portrait of the film composer Hans Zimmer.
