27th February 2017

Celebrations continued

Activities

- Bring a non-fiction book to show the class.
- Bring in a photograph of your parents wedding for show and tell.
- Learn a counting song, and sing it to the class.
- Examples of 2D and 3D shapes in your home.
- Ask an adult to tell you about a special celebration they enjoyed.

You can choose to do as many or as few of these activities at home with your child, they are not mandatory, but if you do complete one please send it in for your child to share with the class!
