WAKRA PRIMARY SCHOOL

## **Dear Parents,**

The students of DBS Wakra have an exciting opportunity to learn about a different and unique instrument.

Ross Jennings is a bagpipe player who is travelling the world with the aim of raising awareness of the traditional Scottish instrument and spreading the message of social inclusion. As part of this travel, Ross visits schools to perform on the bagpipes and talk about his experiences as a travelling musician.

Ross will be visiting DBS Wakra on Thursday 19<sup>th</sup> January.  
To facilitate this visit, the cost is 10 QAR per child.  
Please pay this money to finance by Wednesday 18<sup>th</sup> January.

Here is the link to Ross' page if you would like some more details.
