

DOHA BRITISH SCHOOL

WAKRA PRIMARY SCHOOL

Trips and Visit

We will be visiting the terracotta army at the Museum of Islamic Art.

Qatari History

We will be continuing our study of the important role Qatar plays in the region along with the chronology of events in Qatar's history.

Topic Web

Year 4 Topic Web Autumn 2

History

Exploring a range of sources in history. Learning about chronology of the Viking era. We will also be comparing the lives of a Viking family with modern day families.

Geography

Exploring Viking settlements, invasions as well as learning about the physical and geographical features of where these are in the world.

Spanish

Children will be learning new vocabulary about objects that can be found in the classroom (table, chair, computer etc.), Numbers up to 600, Means of transportation and places, days of the week, months and seasons and objects found inside a bedroom.

Arabic

Al-Sefah (Grammar), AL-Haal (Grammar), At-Tanween (Spelling), KhatAl-nasskh (Hand Writing), Prose story Treasure (Writing), Cooperation (Listening), The representation of poems and stories (Speaking).

Science

We will be identifying how sounds are made through vibrations, as well as learning how sound travels into our ears.

Vikings!

Vikings are an important aspect of our history who achieved many great things. We will be learning about how they made an impact on the world.

P.E.

All pupils will be participating in football. We will be looking at improving each individuals needs in dribbling, passing, control, shooting and general game play/rules and regulations.

Literacy

Reading a range of recounts and writing our own. Learning a poem based on a theme and performing this with clarity and confidence.

Maths

Area and perimeter of shapes, looking at the mean, median and mode when analysing data. Continuing multiplication and division both mentally and using the column and bus stop methods.

ART and DT

Looking at the different styles of Viking armour and weapons as well as making their own longboat.

Music

Students will be learning how to write music on the stave and extend their knowledge of rhythmic notation. Students will also be preparing for the KS2 production.
