

Trips and Visits

Trip to Musheireb Museum to see the land use in the past, present and future of Qatar

DOHA BRITISH SCHOOL

WAKRA PRIMARY SCHOOL

Qatar History

Look at landmarks around the globe and in Qatar. We will then be creating our own landmarks.

Topic Web

History

We will look at Aztec People where chocolate originated and study how they used chocolate.

Geography

We will learn where Cacao trees are found and about the factors affecting the growth of cacao trees. We will also learn about other cash crops.

Spanish

Children will be learning new vocabulary of objects that can be found inside a classroom (table, chairs, clock etc.). Numbers to 200. Means of transportation. Days of the week, months and seasons and finally learn some of the tricky sounds in Spanish.

Music

Students will be learning how to write music on the staff and extend their knowledge of rhythmic notation. Students will also be preparing for the KS2 production.

Topic Web Autumn 2 Year 3

Science

We will begin a new topic about Forces and Magnets. We will be comparing how things move on different surfaces. We will look at magnets and how some materials are attracted to them and not others and how magnets have two poles.

Chocolate!

Children will be immersed in learning about Chocolate, in particular where it comes from and how it is made. They will develop their knowledge of the world by learning about the different countries cacao and other cash crops come from. We will also look at the rainforest and the methods used to clear vast areas of it.

P.E.

All pupils will be participating in football. We will be looking at improving each individual's needs in dribbling, passing, control, shooting and general game play/rules and regulations.

Literacy

We will be doing a short topic on Shape Poems. After, we will look at persuasive writing and we will write letters.

Maths

We will be starting our multiplicative reasoning topic where children will be introduced to different written methods for multiplication and division. We will then move on to shape where we will look at 2D and 3D shapes

Arabic

The gold & the earth (Reading)
* Almodaf (grammar)
* Objective (grammar).
* The plural (grammar). My teacher (Writing) What a beautiful flowers (Listening) Friends of environment (Speaking)

ART and DT

We will design a wrapper for our own chocolate bar.
We will make our own chocolate bar.
