

### Trips and Visits

We will go on a trip to Little Engineers

DOHA BRITISH SCHOOL

WAKRA PRIMARY SCHOOL

### Qatar History

We will be focusing on Folklore heritage in Qatar. We will also look at occasions and celebrations in Qatar.

## Topic Web

### History

We will be focusing on the Tudors and the history of the British Monarchy.

### Geography

There will be a great emphasis on Britain. Children will look at key cities and the natural landscape of Britain.

### Spanish

Children will be learning shapes, numbers 1 to 300, different parts of a house and to describe themselves physically.

### Music

Children will be learning how to read and write music notation and continue to use solfa handsigns to recognise pitch. Children will also learn about timbre and instruments using the 'Carnival of the Animals' Suite by Camille Saint Saens.

### Topic Web Autumn 2 Year 3

#### Science

Our Science topic this term is light. Children will study how and why shadows exist. They will learn new scientific vocabulary related to light. Children will learn where we get light from and what the different sources of light are.

### Riotous Royalty!

Children will get the opportunity to look at all the famous Monarchs of Britain. They will see what made them great and how they lived in their period of time. Children will learn everything from William the conqueror right up to the modern day Royal family.

#### P.E.

We will be starting our tag rugby topic. We shall aim for pupils to develop a side pass, importance of dodging and understand the rules of the game.

#### Literacy

We will be looking at instructions and limericks. Children will make a set of both factual and fictional instructions

#### Maths

We will continue with multiplication and division, learning the written methods for both. Children will then work on fractions of shape and numbers.

#### Arabic

My teacher (Writing)  
What a beautiful flowers(Listening)  
Friends of environment(Speaking)

#### ART and DT

Designing a Tudor house that they would have liked to live in.
