Science

Our Science topic this term is plants. This ties in nicely with our topic of rainforests. We will label the parts of plants and sketch plants around the school. We will plant our own seeds and witness how they grow.

Rainforests!

This topic will give the children the opportunity to investigate the rainforests around the world, the climate, life and how to protect the rainforests.

P.E.

We shall be looking at basic techniques of basketball. Pupils should start to learn about the rules and begin to understand how to play a match.

Literacy

We will be looking at instructions and limericks.
Children will make a set of both factual and fictional instructions

Maths

We will be looking at time, roman numerals and kg and g in measurement.
We will then recap on our addition and subtraction.
We will also be introducing the children to fractions and finding fractions of shape and numbers
