

### Trips and Visits

We are currently planning a visit to a hospital to compare conditions in hospitals a long time ago to now. We are also looking to get some of our super intelligent parents involved – any doctors, nurses who would like to come and visit us in school for the day. Please speak to the class teacher.

DOHA BRITISH SCHOOL

WAKRA PRIMARY SCHOOL

### Qatari History

We will study the Ancient Dwellings and Crafts of Qatar. Children will learn about the different jobs that were common in Ancient Qatar.

## Topic Web

### Science

Children will be attending 'nurse training'. They will find out about the basic needs of humans and animals and the 5 things that we need in order to survive. They will learn about importance of exercise and diet on the body. They will also be learning about basic hygiene.

### History

In History children will be learning about the life of 'Florence Nightingale' and how she saved many lives during the Crimean War. They will look at the impact that she had on the world today. They will reflect on this and think about how they too would like to change the world!

### Arabic

Sidra tree(reading -(How to make a sentence( writing). the jobs between the past & present (speaking). Qatar national day (listening). The lam ( Grammar ) the noun (grammar).
